## Beginner's Guide

Welcome to Duel Links! This guide will help you get started with the basics of the game.

### Creating your Konami ID

Your Konami ID is your account in Duel Links. You can create one by tapping the Konami ID button on the title screen. You can also link your account to Facebook or Google to save your progress.

### Your first deck

Your starter deck is built around Dark Magician. It is a balanced deck that can win duels against most opponents. As you progress through the story, you will unlock more cards and can build your own decks.

### Duel Terminals

Duel Terminals are special duels that you can play to earn rewards. They are unlocked as you progress through the story. Each Duel Terminal has a different theme and set of rules.

### Rush Duel

Rush Duel is a faster-paced format with smaller decks and more dramatic effects. It is unlocked after you complete the first Duel Terminal.

## Archetypes

An archetype is a group of cards that share a common theme or mechanic. Here are some of the most popular archetypes in the game.

| Archetype | Description |
|---|---|
| Dark Magician | Spellcaster monsters that support Dark Magician |
| Blue-Eyes | Dragon monsters that support Blue-Eyes White Dragon |
| Elemental Hero | Warrior monsters with elemental powers |
| Dragon Ruler | Dragon monsters that can be Special Summoned from the hand |
| Toon | Monsters that can attack directly |
| Gadget | Machine monsters that support each other |
| Sky Striker | Machine monsters that can be Special Summoned from the hand |
